

Can you help the PTA raise funds for your school.....?

There are a few different ways that you could help the PTA raise funds for Commonswood School that requires no effort at all!

1. Sponsorship

Do you have or work for a local business that may be able to help sponsor us? We are happy to promote local business with logo branding etc. This may be a whole event, advertising material or a particular section of an event (for example we have go-karts at the Summer Fete who can have your companies branding on each kart)

2. Fund matching

There are many companies who offer schemes that agree to donate by “matching” the funds raised by the PTA at the event and this would be great for some of our bigger events throughout the year. Examples of companies that offer this amazing opportunity include supermarkets, banks, building societies. There is not an exhaustive list so please ask at your company if this is something they offer, some examples can be found here [Companies Who Match Fund — MoneySavingExpert Forum](#)
