Family HORSE Racing

What is Family Race Night?

Family Race Night is a fun filled evening for the whole family. Adults and children alike can place bets then sit and cheer on their chosen horse. If your horse wins, you will win a share of the total bets placed

How does it work?

On arrival, you will receive a race card with the running order for the evening.

A total of 8 pre-recorded races will be played, with 8 horses per race. You can place tote bets for as much as you would like, on as many horses as you would like. The minimum bet is £1.

Bets are cash only

At the end of each race winnings can be collected at the tote machine.

Your entry to the event costs £3 per person.

Pizza & Hot dogs will be available to purchase between 5pm-6pm to keep the children (and parents if you wish) well fed and ready to join in the fun when the races start at 6.15pm. A licensed bar will run throughout the night.

Sponsorship

If you are a local business you can sponsor a race for £20, your logo will be displayed on the race screen and the compere will include your sponsorship in their introduction to the race. Please contact commonswoodpta@yahoo.com to find out more information and book.

Buy a Horse

You too can be a racehorse owner, for one night at least!

You can buy and name a horse (family friendly options only please!) for £5. If your horse wins their race you, as the owner, win £20. You don't have to be there on the night, so a good option even if you can't attend although it's much more fun to cheer your horse on in person!
