5. Parent Consultation Activity

Small-group discussion on:

What works well currently?
Range of activities
Love the outdoor space
Good staff communication
No waiting list – quick response from school when numbers rapidly expanded
Good communication – appreciated being able to book before September for new starts.
Cheaper than other schools
Opening hours very good
Good that children can attend extra-curricular clubs and still go to Fox club.

What would you like to see improved?
Glitches in booking system although office staff are supportive

Next steps:
Thank you for sharing your views. We will investigate any difficulties with the booking app to ensure the process is as efficient and user-friendly as possible. We will also continue to review and develop our wraparound care provision in response to the feedback received, keeping families informed of any improvements or changes. Your comments are valued and will help shape future developments.
